MY FAVORITE FUN

DEAR CHUCK E...

It is with great pleasure I write to you about the positive past, present, and future experiences our school has had/will have at your house (the strip in North Canton, OH). When you come out to visit our school the kids love the high fives and hugs. Later those nights at Family Night we get to have some fun with all the great games, delicious food, friendly staff, and a chance to relax with friends. Tina (who runs PR at the Strip location) goes above and beyond to organize and make sure every event we have is a success. As a result, we have already booked for 2016-2017. Our parents are appreciative and our staff is very supportive. Keep up the great work and many thanks for running such a great program.

Today I brought about 100 orchestra students, grades 5 and 6, to the Bloomington restaurant. The manager, Christie, made sure the pizzas were almost ready when we arrived so by the time the kids were seated, the pizzas were coming out. Because this was a school group and we don't have time to use tokens, I asked if the corporate office would consider exchanging tokens for a cookie. Christie asked if an ice cream cup would work...absolutely! The kids loved the ice cream and never missed the tokens. I would like to thank Christi for making this trip smooth and effortless. I appreciate her thoughtfulness and help today and look forward to working with her in the future.

We had our daughter's party and everything went well. Kathy our hostess was very accommodating and friendly. The experience was very easy and non stressful. Elva the General Manager was also very knowledgeable and helpful throughout the whole process. Thank you for making our daughter's birthday experience a wonderful one!
